YOUTH GRANT APPLICATION

General Foundation Information

The Faith, Hope, and Love Foundation is a non profit organization that grew out of compassion that inspired relief efforts for youth facing poverty, homelessness, and hunger in New Hampshire. We do this through providing grants and scholarships, as well as participating in community relief events. Through these efforts we strive to restore Faith in Humanity, instill Hope for the Future, and demonstrate that there is Love for all. It is our hope that these efforts will in turn be carried forward by our recipients as they become good stewards in their communities. FHL knows that with little, much can be created.

The organization raises funds through local contributors, event fundraisers, and mailings. Funds are then awarded to children, youth and or youth based organizations within the state of New Hampshire that meet a needs criteria.

Description of Allocated Funds

Funds received by The Faith, Hope and Love Foundation go towards operating expenses including, but not limited to, postage, photocopying, event advertisements and materials, as well as office and operation supplies. The Faith Hope and Love Foundation is strictly a non-profit organization in which board members and co-founders do not get paid at this time and pay for all other expenses not previously mentioned.

After all expenses are covered, all remaining funds over a thousand dollars will be awarded directly to youth, or youth based organizations in the state of New Hampshire. All potential award recipients will go through an application process as well as an interview with the board, to determine eligibility for receiving funds.
